WORSHIP INFORMATION

- Because we are still in the early phases of re-opening, we will not offer many of the things we are used to having on Sunday mornings. There will be no childcare or Children's Sunday School. Adult groups are encouraged to meet if they can gather outside on the campus or maintain social distancing while they meet. Our trustees have met and feel this is the best practice to protect everyone as we move forward cautiously! There will be no congregational singing for the next few weeks as we ease back into gathering. Hymnals have been removed as well as offering plates and any other commonly touched item in the worship areas. While we will not be able to have the choir or congregational singing, we will have the opportunity to hear from some extremely talented individuals as they lead us in preparation and reflection. Ushers will be seating and escorting people in the Sanctuary to ensure that social distancing is kept and to ensure safety of members. We ask that no hand-shaking or hugging be exchanged. If you would like to greet and visit with people we ask that you move to the outside of the building in order to keep areas as clean as possible.
- Please wear a mask Worshipers will need to wear a mask at all times while moving around the church building. The trustees have voted and feel that this is the best way that we as a church can do our part to prevent the spread of COVID-19. Don't have a mask? No problem! We will have masks available to anyone who comes to join in and does not have one!
- Practice social distancing Please remember to stay a safe distance (at least 6 feet) from non-family members. Let's all be as safe as possible.
- There will be signs and hand sanitizer at doors designated for entry as well as throughout the building. PLEASE make sure to sanitize your hands frequently.

HEARING AID ASSIST SYSTEM COMING

Everything is coming together for the installation of our Hearing Aid Assistance System, and we are in hopes that it helps those who may be in need of during worship services. We will keep you posted!

DAN PHILLIANS MEMORIAL CARILLONS
